

Glebelands PTFA 2022/2023 News Bulletin!

Where many hands make light work, raising funds to enhance and further our children's learning and opportunities.

Introduction

Glebelands PTFA -
Parents, Teachers and Friends Association

Hello and welcome to our first news bulletin!

As the newly appointed Glebelands PTFA committee, Nicki (Treasurer), Rebekah (Secretary) Sabina (Vice Chair) and Jo (Chair) would like to extend a warm welcome to you all!

Our goal is to work alongside the school to provide extra funding to help enhance and further the children's learning experiences and opportunities.

The funds benefit all the children and come from the fundraising initiatives and events we hold during the school year. At the moment, we are raising funds for a new sound system for the school hall (essential for class assemblies) and the never ending need to replenish and upgrade the school library and class book corners.

We hold a number of events throughout the year including the popular Christmas, Mother's and Father's Day present rooms where you can purchase a bag or two (or as many as you like!) and the children will get to visit our shop to choose the gifts they want to give.

As always, with fundraising and events we often need more hands. Everyone has something to offer be it time, professional skills, wrapping, serving tea or helping to set up an event. If you'd like to join us or find out more, pop along to a meeting or contact us via Email or Facebook.

Current Fund Raising

School Hall Sound System

Goal £2500

Current £1246.59
