Summer Term 24 April 2026

It is Friday again! This week really has zoomed by. The children have enjoyed some lovely weather this week and it has allowed them to make more use of the outside space. There is lots to look forward to this term with Sports Day, school trips, transition days and Country Dancing all being planned in! It's hard to find a date when nothing is happening.

This week, clubs have restarted and it has been lovely seeing how many have signed up and are enjoying the activities on offer. As a reminder, we also provide paid before and after school care if it is needed at Glebelands X-tra. This needs to be booked and paid for in advance via Arbor. Last pick up from afterschool club is 18:15 and it is important that all children are collected by this time at the very latest. Please remember that you will need to phone the Glebelands X-tra number to collect the children from the small gate. The number is 07752 747376.

Have a lovely weekend everybody.

Glebelands People

These are posted on our school website the weekend after the children have been awarded their stickers in assembly, so please take a look!

Breakfast / After-School Club

If your child needs to attend any of the breakfast / after-school club sessions, can you please ensure that the required sessions are booked on their Arbor account. This is essential to ensure that we have the correct adult/child ratio to look after your children. Also, please remember that all sessions must be paid for at the time of booking. Thanking you in advance.

Class Photographs

Class photographs will be taken in school next Friday 1st May. Details of how to order these will be sent out after the photographs have been taken.

Questions of the week

We are aware that sometimes it is tricky for children to talk to parents about their learning from the week or that sometimes you get the answer "nothing" when asking children what they've learned at school. Therefore, we are going to provide a prompt question for each year group every week, that you can ask your child and get them talking about their amazing learning.

EIFS: How can we turn wool into a jumper?

Year 1: What do you know about Neil Armstrong?

Year 2: What is an apostrophe and how is it used?

Year 3: What are the features of a persuasive text?

Year 4: What is a mixed number?

Year 5: What are relative clauses, and can you create some sentences that include them?

Year 6: What are the 'pull' factors for visiting Jamaica?
