Summer Term 22 May 2026

It is hard to believe that we are at half term already! Although it has been a short half term, it has been very busy! This week, The Axolotl class performed their very first class assembly to their parents. They delivered their lines with confidence and shared a wealth of learning! In year 6 this week, the children took part in a smoking and vaping workshop. We have also seen some more ducklings arriving in EYFS this week and everyone has been very excited about this.

Two of our children in Year 6, Florence and Albert, will be attending the Fenland Junior Poet Laureate Award Ceremony this evening. This is a brilliant accolade and we wish them well at the event.

The weather is set to be beautiful next week; we hope that you have lots of lovely plans for the half term break. Children are set to return to school on Monday 1st June. Enjoy the break!

**HAPPY
HOLIDAYS**

Phonics

We want to keep you up to date with the sounds we have been focusing on each week as this will help you to support your child at home.

Foundation Stage: This week we have been recapping the sounds we already know.

Y1: This week we are recapping the GPCs that make a 'long i sound': igh, ie, i-e -y

Questions of the week

We are aware that sometimes it is tricky for children to talk to parents about their learning from the week or that sometimes you get the answer "nothing" when asking children what they've learned at school. Therefore, we are going to provide a prompt question for each year group every week, that you can ask your child and get them talking about their amazing learning.

EYFS: How do ducklings hatch from their eggs?

Year 1: Can you find half and a quarter of a group of objects?

Year 2: What happens in the story the Prophet and the Ants?

Year 3: Which Roman invaded Britain first?

Year 4: What adverbs of time could you use in an instruction text?

Year 5: What is the correct way to punctuate dialogue?

Year 6: How did we create water effects in art?
