Summer Term 12 June 2026

What a glorious end to the week. Let's hope we are done with all the rain now! This week, Year 6 have been on another of their trips to Wicked. A great time was had by all and they have been singing the songs from the show ever since!

Koala class held their class assembly this afternoon. It was lovely to see them share their learning with family and friends. They all performed really well.

Year 5 and 6 are busy preparing for their summer show with lots of lines and songs being practised. Year 4 have completed their multiplication checks this week and Year 1 have completed their phonics screening. We could not be more proud of how all the children have applied themselves to these checks.

We are still on the lookout for umbrellas, tarpaulin and any other items that you think would add to our lunchtime play offer. Any donations are gratefully received and we thank you in advance.

We have lots booked into the calendar for the rest of this term so keep an eye on all the dates below.

Have a lovely weekend!

Jewellery, make up and nails!

Please can we remind you about the school policy regarding the above. Jewellery should be limited to a single pair of studs and a wrist watch (no camera function). Make up and false nails should not be worn to school. Nails in particular are a health and safety risk and may stop the children from completing some of their activities. We thank you for your support with this.

Glebelands People

These are posted on our school website the weekend after the children have been awarded their stickers in assembly, so please take a look!

Phonics

We want to keep you up to date with the sounds we have been focusing on each week as this will help you to support your child at home.

Foundation Stage: Our new GPC is er eg her, better, never

Y1: This week we are recapping the GPCs that make an ur sound: er, ur, ir

Questions of the week

We are aware that sometimes it is tricky for children to talk to parents about their learning from the week or that sometimes you get the answer "nothing" when asking children what they've learned at school. Therefore, we are going to provide a prompt question for each year group every week, that you can ask your child and get them talking about their amazing learning.

EYFS: What makes a good friend?

Year 1: What fascinating facts about Antarctica can you remember?

Year 2: What is one-quarter of 24

Year 3: What are the features of a science experiment?

Year 4: How does sound travel? How do you know?

Year 5: What is a conjunctive adverb, and how do you use them?

Year 6: Why were the airbases important to the war effort?
