

Glebelands News

Volume 4 Issue 36

Summer Term 26 June 2026

Here we are at the end of a sweltering week of weather! Thank you for your support during this heat-wave! The children and staff have coped admirably in very difficult situations. We thank you for your support in sending them in equipped with hats, water and sunscreen. We apologise for having to cancel Country Dancing but the welfare of all the children, staff and the wider community had to come first. We hope to be able to rearrange this event as it is always very popular!

We will keep an eye on the forecast for impending events such as sports day so please keep an eye out for notifications.

Next week, we have the year 5/6 performance which they have been putting in their final practice for this week. It is sounding great!

This weekend is the Midsummer Festival which I am sure many of you will enjoy! As the weather looks set to stay warm, please keep yourselves safe in the sun and have a great time!

Well Done!

Well done to Dotty in Axolotls (Reception) who has been working to improve our local environment. Dotty has been litter picking in our local area and has shared her passion for nature with her class too. She has recently been presented with a certificate from Nature Nurture Kids to recognise her actions. Well done Dotty!

Glebelands People

These are posted on our school website the weekend after the children have been awarded their stickers in assembly, so please take a look!

Glebelands House Standings

SHARKS	92.50%	KINGFISHERS	92.41%
FOXES	87.93%	CHAMELEONS	90.69%

Overall weekly attendance for the whole school 93.36%.

Phonics

We want to keep you up to date with the sounds we have been focusing on each week as this will help you to support your child at home.

In FS and Y1 we are recapping the GPCs we already know.

Questions of the week

We are aware that sometimes it is tricky for children to talk to parents about their learning from the week or that sometimes you get the answer "nothing" when asking children what they've learned at school. Therefore, we are going to provide a prompt question for each year group every week, that you can ask your child and get them talking about their amazing learning.

EYFS: What makes you bad tempered?

Year 1: Which pairs of numbers make 20?

Year 2: How do you make overnight oats?

Year 3: What is perimeter?

Year 4: What responsibilities could I take on at home?

Year 5: What does budgeting mean?

Year 6: Which song, from our production, is your favourite?

Dates
