Volume 4 Issue 37

Summer Term 3 July 2026

What a week! This week has been a busy one with both Sports Days, a Class Assembly and the KS2 production.

Well done to all of the children who participated in Sports Day. It was lovely to see everyone enjoying being active and encouraging one another. Year 6 children did a great job of supporting the KS1 children throughout their Sports Day activities. Thank you to all parents and carers who joined us yesterday and encouraged the children.

Monday was the Otters Class Assembly. They did a great job of using the World Cup theme to share with us themes on resilience, friendship and inclusivity. Well done Otters Class.

Year 5 and 6 performed Grimm The Fairy Tale Musical this week. There were familiar characters alongside some lovely songs. It was a fantastic performance from the whole cast and we are incredibly proud of them all.

We are in the process of finalising the class lists for next year in readiness for next week's transition day. We will be sharing the class structures and staffing with you all on Wednesday afternoon in readiness for the children experiencing transition activities on Thursday.

Finally, thank you to all of the families who supported the school in the Carnival last weekend. It was a lovely to see so many children join us on the walk as well as to see many families lining the streets for the parade. Many of our children were walking in different groups on the day and it was a pleasure to see how varied the interests and talents are of our Glebelands family.

I wish you all a restful weekend,

Mrs Wood

Phonics

We want to keep you up to date with the sounds we have been focusing on each week as this will help you to support your child at home.

In FS and Y1 we are recapping the GPCs we already know.

Glebelands People

These are posted on our school website the weekend after the children have been awarded their stickers in assembly, so please take a look!

Questions of the week

We are aware that sometimes it is tricky for children to talk to parents about their learning from the week or that sometimes you get the answer "nothing" when asking children what they've learned at school. Therefore, we are going to provide a prompt question for each year group every week, that you can ask your child and get them talking about their amazing learning.

EYFS: Why do you think some dinosaurs had very long necks?

Year 1: Can you learn your address ready for our work next week?

Year 2: What is an adjective?

Year 3: What do plants need to thrive and grow?

Year 4: What time does the school day end on the 12 hour and 24 hour clock?

Year 5: What was your favourite event on Sports Day?

Year 6: What was your favourite sports day race and why?
