

Year One Information Sheet

Autumn Term 2026 - 27

Reading	Spellings	Numbots	PE/Outdoor Learning	General reminders
Each week we send home a reading card which shows which GPC we are learning. Please practise this with your child. The card also gives login details for the Success For All Phonics website where you can read the book that we have been reading in school. We ask that children read at home for at least 10 minutes a day. Please remember to write the name of the book and any comments you may have on the back of the weekly reading card. Please make sure that your child brings their book bag to school each day.	Each week your child's reading card shows which GPC we will be focusing upon and it gives some example words which use the GPC. The card also shows you which 'red words' we are learning. These are words which your child needs to be able to spell as well as read so please practise the words during the week. This will really support your child towards becoming an accurate speller.	Your child will bring home login details for Numbots. Please spend at least 15 minutes a week on this. We will be awarding certificates to celebrate successes.	Our PE days are Tuesdays and Thursdays. Please bring in PE kits at the beginning of the week. This should include trainers for outdoor PE lessons. Please check that all PE kit is named so that we can return any lost items quickly. For health and safety reasons we ask that children with pierced ears should remove their earrings for PE. It is a Trust policy that we do not allow to use micropore tape to cover earrings.	Please make sure that your child is dressed appropriately for our unpredictable British weather! We aim to spend plenty of time outside. Please check that ALL clothing is named! We want to avoid any lost property this year. Children should bring a water bottle to school each day. A healthy snack is provided in school. You may also bring an additional healthy snack. For safety reasons, please make sure that your children don't play on the play equipment or in the forest area before or after school Please come and talk to us if you have any concerns or questions.
