Volume 3 Issue 33

Summer Term 6 June 2025

Happy Friday everyone.

We hope that you had a lovely half term. The children have come back refreshed and ready for the last half term of the school year! This year is flying by! Even though the children have only been in school for four days, it has been exceedingly busy! On Tuesday, Year 3 visited the Museum of Zoology which they really enjoyed and Year 4 had their Egyptian day. There were some great costumes! On Wednesday, Year 2 went to a Skills Escalator day hosted by North Cambs Training Centre and Year 6 visited London to watch Wicked. The children all represented the school beautifully this week and it is clear to see how valuable these types of experiences are to everyone at the school! On Thursday, Year 5 took part in an online author event. On Friday, Cromwell staff visited to meet with the children and parents of our year 6 children as they continue with their preparations for moving up to secondary school.

Next week is no less busy. Monday will see Year 5 visiting The Museum of Zoology which I know they are looking forward to! Year 6 have Burmor Construction visiting and they are also starting swimming lessons! The PTA are also holding the ever-popular Father's Day Present Room on Friday next week.

Please keep an eye on the calendar as events are being added all the time!

Have a lovely weekend.

Phonics

We want to keep you up to date with the sounds we have been focusing on each week as this will help you to support your child at home.

FS: We are recapping the GPCs we have already learnt

Year 1: We are recapping the GPCs that make a 'long i' sound: igh, ie, i-e, -y

Questions of the week

We are aware that sometimes it is tricky for children to talk to parents about their learning from the week or that sometimes you get the answer "nothing" when asking children what they've learned at school. Therefore, we are going to provide a prompt question for each year group every week, that you can ask your child and get them talking about their amazing learning.

Year 1: What happens to the leaves of deciduous trees?

Year 2: What do plants need to grow and thrive?

Year 3: What were your favourite animals that you saw in the Museum of Zoology?

Year 4: What is a line of symmetry?

Year 5: What are relative pronouns and relative clauses?

Year 6: How were the allied powers and the axis powers in WWII?

School Meals

A copy of next week's menu is attached.

Glebelands People

These are posted on our school website the weekend after the children have been awarded their stickers in assembly, so please take a look!
