Volume 3 Issue 30

Summer Term 9 May 2025

What a lovely end to week we have had with this weather. The children have worked just as hard this week even though they have only been in for four days! Year 1 enjoyed a lovely trip out to Shepreth Wildlife Park on Tuesday and Mrs Brooking's class shared their learning in their class assembly.

Thank you to everyone who has sent in sponsorship money. We are overwhelmed with the current total but know that there is still some to come in. If you have money to send in, please do so by the end of Monday. We have also received lots of orders for the Glebelands Birthday Bars and know that Glebelands Friends will be working hard to prepare the orders. These will be sent to the children's classes next Friday.

Sports Days have been added to the dates below; we would love to see as many of you there as possible so please take note of the date. Next week, Year 6 will be completing their SATs. The children have been revising hard this week. We hope that they will rest and relax this weekend! Year 6 doors will open at 8.30am on these days so the children can come in and get settled. By Thursday lunchtime, all will be complete and they will be looking forward to their trip to The Playground which is on Friday.

Happy Friday!

Classroom queries

If you have any questions, queries or concerns regarding your child when in school, please ensure that these are directed to the class teacher in the first instance.

School Meals

A copy of next week's menu is attached.

Glebelands People

These are posted on our school website the weekend after the children have been awarded their stickers in assembly, so please take a look!

Questions of the week

We are aware that sometimes it is tricky for children to talk to parents about their learning from the week or that sometimes you get the answer "nothing" when asking children what they've learned at school. Therefore, we are going to provide a prompt question for each year group every week, that you can ask your child and get them talking about their amazing learning.

Year 1: What was your highlight of our visit to Shepreth?

Year 2: What is the difference between toothed and baleen whales?

Year 3: What do you know about Boudicca?

Year 4: How do you mummify your best friend?

Year 5: What punctuation is needed when you are writing speech?

Year 6: What is similar and what is different between the Lake District, Tatra mountains and the Caribbean?
